GPP

Green Public Procurement (GPP) is defined “ Public procurement for a Better environment as a process whereby public authorities seek to procure goods, services and works with a reduced environmental impact throughout their life cycle when compared to goods, services and works with the same primary function that would otherwise be procured.”

METAL PARTS

Certification of compliance in accordance with Directive 2011/617/UE on the restriction of the use of certain hazardous substances in electrical and electronic equipment (ROHS II), delegated Directive 2015/863/UE amending Annex II to Directive 2011/65/UE concerning the list of restricted substances (ROHS III) and Regulation No 1097/2006 concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH).

PAINTED PARTS

Certification of compliance in accordance with EN ISO 11890-2:2013, Paints and varnishes - Determination of volatile organic compound (VOC) content — Part 2

CHROME PARTS

Certification of compliance in accordance with Regulation (EC) No 1907/2006 (REACH) and with UNI EN 1811:2015, Reference test method for release of nickel from all post assemblies which are inserted into pierced parts of the human body in compliance with Annex XVII of Regulation No 1097/2006 concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH).

RECYCLED PLASTIC PARTS

Certification “ReMade in Italy” for backrest, seat, internal set, cover in polypropylene Ecotech PP, ABS writing tablet with 63% industrial waste.

PACKAGING

From suppliers certified FSC® or PEFC.

RECYCLING OF THE PRODUCT

Once decommissioned, avoid release into the environments. Recyclable product separating its components.

CLEANING

For the metal parts, we recommend to use only a damp cloth with alcohol and to dry everything very well after cleaning.
For painted surfaces, please use only a damp cloth with water and neutral liquid detergent. Do not use solvents, trichloroethylene, acetone or ammonia. For fabric use only water and neutral liquid detergent.

WARRANTY

Bio is guaranteed 5 years (full text of warranty on request). An improper use of the product precludes its warranty.

IMPROPER HANDLING

Not allowed: structural changes and/or tampering with the product. Standing on chairs, use chairs as equipment for transportation.

Compliance certificate with BS EN 16139:2013, level 2° severe.

BS EN 14703:2007 Links for non-domestic seating linked together in a row (only for BIO 011 short linking device).
