

Thermo-injection grey polypropylene (100% recyclable) shell with armrests.

The massive 57x37 cm writing surface (largest in class) flips about its own axis and rotates around the chair through 360°, making it perfectly compatible with right-handed or left-handed users. The writing tablet surface is equipped with two channels for vertical positioning of a tablet and smartphone; the surface can easily accommodate A4 books and documents or a laptop and tablet (up to 76 Kg).

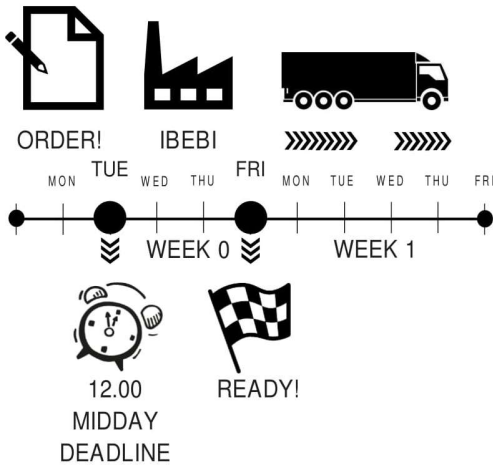

Polypropylene (PP) seat
 Grey C
 Orange M
 Green L

The base offers a generously sized storage space (30 liters space) for bags and backpacks, and there are 2 bottle holders at the side of the chair.

Prompt Delivery

Quantity and colors to be verified at the moment of the order.
